

# Code of Conduct

*This also includes any social media posts, and posts deemed derogatory, mean, or degrading targeted at a student-athlete, parent, spectator, coach, staff member, or Friendship Central in general will be dealt with accordingly.*

## Student/Athletes

Student Athletes are held to a higher standard due to their participation in a school sponsored event and are expected to be role models: In school, in the community and when visiting another school.

Sportsmanship and ethical conduct is always expected from all student athletes:

- Ideals of fair play.
- Know the rules of the game.
- Promotion of physical, emotional, mental, social and moral well-being of all.
- Realize that athletics are only a game- not a matter of life or death.
- Respect for all coaches, officials, teammates and should show courtesy to opposing coaches and athletes.
- Accept victory and defeat with same poise.
- Profanity and/or racial slurs are NOT permitted.
- Insubordination to faculty members or other adults or repeated disciplinary problems in school will jeopardize the student's privilege to participate.
- Use and care of all equipment, facilities (home and away) and uniforms is expected to be at the highest level.

## Parents

Encourage their athlete to have good sportsmanship, support the team, coach, and the school. Realize that all student athletes have faults and will make mistakes. These are times to help the student athletes to learn and improve themselves, not only athletically, but in life. Playing time expectations will change as athletes move from modified to varsity level activities.

## Spectators

Adult Spectators should be an example for student athletes and student spectators. Maintain a POSITIVE attitude when cheering during a game. No profanity or derogatory language. All persons attending a school function shall conduct themselves in a respectful and orderly manner, no matter if it's located in Friendship or another location. Realize the conduct of fans establishes a reputation of the school and community. Spectators will demonstrate respect for all opponent players, coaches, spectators, and officials. Officials' rulings will be accepted and abided by by all spectators. Spectators are encouraged to leave the spectator space as clean if not cleaner than when they arrived at the event. If any individual is repeatedly addressed by a chaperone or is required to leave an FCS event, that person will not be able to attend another event until they have had a meeting with the Superintendent, Principal and Athletic Director.

## Coaches

Promote good sportsmanship by setting a positive example. Avoid behavior that will incite players, opponents or spectators. Promote school pride and use competition to create healthy and strong citizens. Coaches may establish additional rules and procedures as they deem necessary for participation of student athletes. These rules will be presented to the Athletic Director/Principal for approval prior to its distribution to student athletes. Coaches are to avoid negative comments to radio, TV, and newspaper reporters. Coaches' actions beyond the NFHS or NYSPHSAA suspension, can be put to the athletic council for further consideration.
