COURSE CREDIT POLICY

- At the elementary level, including grades K-5, there will be no minimum standard of attendance to be eligible for credit. A student with a high number of absences may result in the student being retained at that grade level.

OTHER ATTENDANCE PROCEDURES:

- Parents are asked to call the Main Office by 8:00 am if their children will not be attending school. Please send in a written excuse explaining the reason for their absence upon their return to school.
- A class cut is an unauthorized absence from class when a student is not absent from school. A cut from a given class will result in administrative action. Chronic problems will result in parent notification, alternative post-school, and loss of privileges.
- Tardiness to school must be accounted for by a written excuse, signed by a parent or guardian, explaining the reason for the tardiness. Chronic problems will be handled by the office. Anyone with an unexcused tardy three times in a semester will receive detention for each subsequent tardy. Anyone with an unexcused tardy more than ten times in a semester will receive an extended detention. Any unexcused tardy after 10:00 am will receive an extended detention regardless of the number of times they have been tardy.
- Teachers are expected to handle tardiness to class to their own satisfaction. Should the problem continue, the administration will be involved for disciplinary action. The action will range from detention to eventual suspension should the tardiness continue.
- Any parent or guardian requesting the temporary absence of a student (medical appointment, etc., during the day) shall present a written request to the attendance office stating the reason for the absence. Students will be excused from school only in the custody of legal parents or guardians or such other persons designated in writing by the legal parent or guardian.
- Truancy is an illegal absence without authorization from home or school. Disciplinary action will result in detention or alternative post-school.

Any weapons, alcohol or illegal drugs/substances found will be confiscated immediately, followed by notification of the parent of the student involved and the appropriate disciplinary action taken, up to and including permanent suspension and referral for prosecution.

REPORTING VIOLATIONS

All students are expected to promptly report violations of the code of conduct to a teacher, guidance counselor, the building principal or designee. Any student observing a student possessing a weapon, alcohol or illegal substance on school property or at a school function shall report this information immediately to a teacher, the building principal, the principal's designee or the superintendent.

Any weapon, alcohol, or illegal substance found shall be confiscated immediately, if possible, followed by notification to the parent of the student involved and the appropriate disciplinary sanction if warranted, which may include permanent suspension and referral for prosecution.

DISCIPLINARY PENALTIES, PROCEDURES & REFERRALS

Discipline is most effective when it deals directly with the problem at the time and place it occurs, and in a way that students view as fair and impartial. School personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the students' ability to grow in self-discipline.

Disciplinary action, when necessary, will be firm, fair and consistent so as to be the most effective in changing student behavior. In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary penalties will consider the following:

Penalties will be imposed by authorized school personnel as designed by School Education Law and consistent with the student's right to due process. Examples of penalties are:

subject to suspension from school for at least one calendar year.

Students who commit violent acts other than bringing a weapon to school.

Any student who is found to have committed a violent act, other than bringing a weapon onto school property, shall be subject to penalties up to and including suspension from school.

Students who are repeatedly substantially disruptive of the educational process or repeatedly substantially interfere with the teacher's authority over the classroom.

Any student who repeatedly is substantially disruptive of the educational process or substantially interferes with the teacher's authority over the classroom will be suspended from school for a minimum of two (2) days. For purposes of this code of conduct, "repeatedly is substantially disruptive" means engaging in conduct that results in the student being removed from the classroom by teacher(s) pursuant to Education Law §3214(3-a) and this code on four or more occasions during a semester. If the proposed penalty is the minimum two-day suspension, the student and the student's parent will be given the same notice and opportunity for an informal conference given to all students subject to a short-term suspension. If the proposed penalty exceeds the minimum two-day suspension, the student and the student's parent will be given the same notice and opportunity for a hearing given to all students subject to a long-term suspension. The suspending authority has the authority to modify the minimum five-day suspension on a case-by-case basis. In deciding whether to modify the penalty, the suspending authority may consider the same factors considered in modifying a one-year suspension for possessing a weapon.

REFERRALS

Students may be referred to a counselor, Family Court (PINS) or County Attorney for a juvenile delinquent proceeding as required by law.

VISITORS TO THE SCHOOLS

The board encourages parents and other district citizens to visit the district’s schools and classroom to observe the work of students, teachers and other staff. Since schools are a place of work and learning, however, certain limits must be set for such visits. 1. Anyone who is not a regular staff member or student of the school will be considered a visitor.
2. All visitors to the school must report to the office of the principal upon arrival at the school. There they will be required to sign the visitor’s register and will be issued a visitor’s identification badge, which must be worn at all times while in the school or on school grounds. The visitor must return the identification badge to the principal’s office before leaving the building.
3. Visitors attending school functions that are open to the public, such as parent-teacher organization meetings or public gatherings, are not required to register.
4. Parents or citizens who wish to observe a classroom while school is in session are required to arrange such visits in advance with the classroom teacher(s), so that class disruption is kept to a minimum.
5. Teachers are expected not to take class time to discuss individual matters with visitors.
6. Any unauthorized person or school property will be reported to the principal or designee. Unauthorized persons will be asked to leave. The police may be called if the situation warrants.
7. All visitors are expected to abide by the rules for public conduct on school property contained in this code of conduct.
