CENTRAL SCHOOL DISTRICT

2023-24 DISTRICT CALENDAR

Cattaraugus-Little Valley

CENTRAL SCHOOL DISTRICT

25 N FRANKLIN STREET - CATTARAUGUS, NY 14719 • WWW.CATTLV.WNYRIC.ORG

HOW TO:

Register New Students

For appointment: For Grades PreK, K-4 Elementary Building, 716-257-3436; 5-12, 716-257-3483. Bring documentation verifying child's date of birth (DOB), immunization record and most recent report card. Students attending CLV must live in the district and provide proof of residency.

Withdraw a student - Phone the appropriate school building. Sign request for release of official records including health records.

Obtain information about a High School Equivalency Diploma - Call the BOCES Center at Olean - 716-376-8200

Add/Drop Policy - Students may drop classes through the following procedure:

- ◆ Full-year classes may be dropped within the first two (2) weeks of the semester.
- ◆ Semestered courses may be dropped within the first two (2) weeks of the semester.

A student-parent-teacher-school counselor conference must take place before a final decision is reached.

Obtain Financial Aid Information for College

- 1) During a student's Junior year, s/he should compile a preliminary list of colleges based on preferences such as academic programs, location, and cost.
- 2) Early in the Senior year, each student should work with his/her counselor to develop and submit applications to a final collection of colleges (including "safety" and "reach" schools).
- 3) Beginning October 1st of the Senior year, students complete the Free Application for Federal Student Aid (FAFSA) and the NYS Tuition Assistance Program (TAP). This data is used by the federal government to calculate an expected family contribution (EFC), which is a dollar figure that is

used to estimate the amount of money each family should be contributing to the higher education of the student. We recommend each family complete the FAFSA online at www.fafsa.ed.gov, which will require a PIN to sign the electronic document. A PIN can be established at fsaid.ed.gov, and each family will need two (one for a parent and one for a student). Tip: Have social security numbers for both student and parent handy before visiting the pin website.

After PIN's are established, a tax return for all income-earning family members (including student if applicable) is usually all a family will need to complete the online FAFSA. Contact a counselor if you need more information on this form - we hold a workshop early each Fall to help parents prepare for this important step.

Summary: Obtain PIN's at fsaid.ed.gov, acquire tax returns, fill out FAFSA at www.fafsa.ed.gov.

- 4) The federal government calculates a grant called PELL and New York State calculates a grant called TAP. This grant money can be used for tuition and does not need to be repaid.
- 5) Each college that the student applied and was accepted to will generate a financial aid award letter outlining the remaining financial responsibility of the family after grants and scholarships have been subtracted from the tuition bill (PELL and TAP information will be provided to each campus and listed on each award letter).
- 6) During the Spring of the Senior year, each family determines the best placement for the student based upon academic/campus interests and the financial aid package. A deposit is usually required in the Spring of the Senior year once a student decides on a campus.

Check on a Student's Academic Progress - Contact your child's counselor at 716-257-3483

Obtain working papers - Students desiring to obtain working papers are to secure the form from the MS/HS office, complete the form and have parent/guardian sign it, and return it to the office. The form then will be processed according to information needed.

Have medication administered during school hours - Submit a written request to the nurse along with the prescribed medicine in its original container.

Please do not send medication with the student. Parents should bring the medication.

Qualify for Free/Reduced Lunch - Obtain the necessary application forms from the nurse or main offices.

Qualify to Vote in School Elections - You must be a citizen of the U.S., 18 years of age or older, and a resident of the school district 30 days prior to the vote, and be a registered voter with Cattaraugus County Board of Elections or the School District.

Obtain Permission for Use of School Building or Grounds - Obtain the necessary forms from the athletic director, Matt Minnekine, phone 716-257-3483, ext. 5284 or ask for one in the main offices. Submit the forms at least 4 weeks in advance.

Visit a Teacher or Classroom - Call for an appointment. Register with the main office upon arrival at the building.

Discuss Bus Questions or Concerns - Phone the Head Bus Driver at 716-257-5090.

Obtain classroom assignments for a student with a prolonged illness - Phone your child's school. Please allow ample time for assignments to be gathered. Make arrangements to pick up the assignments.

Board of Education

"Let us answer your questions."

When questions arise, please contact the appropriate administrator. We find that asking the person closest to the area of concern usually gets the quickest and most accurate response. For questions about your child's program, it is best to start with the teacher. If the teacher cannot satisfy your concern, please call the principal of that building. If there is a sports related problem, contact the coach first. If it is not resolved, contact the athletic director, then the building principal if not resolved. In those few cases when the principal cannot provide an answer, or provide the recourse you seek, please call the superintendent. Whenever the superintendent's decision fails to meet your needs, please contact the district clerk and ask the superintendent to have your concern placed on the agenda of the next Board meeting. Please remember, the Board must act as a whole unit. Individual Board members cannot make decisions independent of the other members.

Board Responsibility:

The Board members, although elected by the voting public of the District, are by law, officers of the State of New York and as such are responsible to the State commissioner of Education for carrying out the duties and obligations imposed upon them by State Law. Board of Education members are your elected representatives. As such, they have a responsibility for providing a comprehensive program of quality education for the community. Basically, the Board represents you by:

- Establishing a sound philosophy for all educational programs and related activities.
- Adopting policies for the operation of the public school system.
- Providing leadership for educational progress through setting of goals and objectives.
- Developing sound financial plans consistent with education needs and community resources.

The Board formulates policy for the attainment of these objectives and employs professional educators for administration of its programs. The policies, broadly speaking, are guidelines for discretionary actions on the part of the Superintendent.

Community Involvement:

Your attention is called to the following:

- The agenda for the meeting is available to all visitors.
- Should you care to address the Board concerning an agenda item, an opportunity is provided on the agenda under "Privilege of the Floor." Each resident will be allowed to speak for a period of 3 minutes. Public participation will not exceed 20 minutes.
- Any special request to address the Board concerning items not included in the Board agenda should be made in writing at least seven (7) school days prior to the regularly scheduled Board meeting.

This request should be made to the Superintendent of Schools and should include the particular subject item(s) for presentation to the Board. All questions presented by any person to the Board shall be answered in the manner determined by the presiding officer.

Anyone wishing to address the Board on a matter involving an individual by name shall do so only in a written statement filed with the Board in executive session.

Academic Intervention Services:

The district shall provide academic intervention services to students who have been identified as being at risk of falling below the state learning standards in English/language arts, mathematics, social studies, and/or science. Such services may include additional instruction services and/or student support services such as guidance, counseling, and study skills. A student's eligibility for academic intervention services will be determined based on his or her performance on state assessment examinations and/or in accordance with district assessment procedures. When it has been determined that a student needs academic intervention services, the parents will be notified.

The notice will outline the reason the student needs such services and the type of services to be provided. In addition, the district will provide the parents with opportunities to consult with teachers and other professional staff, regular reports on the student's progress, and information on ways to monitor and work with teachers to improve the student's performance.

Cattaraugus-Little Valley

Bus Safety Rules & Regulations:

Transportation of students on the school bus is a privilege, and an extension of the classroom. Rules for student behavior are as much in force there as in any other school facility. School authorities can deny this privilege to any child who is insubordinate or disorderly. Any student wishing to be transported to a different location than usual must submit a note from a parent or guardian requesting such change. Such requests are to be submitted to the office with the morning attendance report. In approved cases, drivers will be notified of changes.

It is illegal to pass a stopped school bus with its **red lights flashing** anywhere - including school grounds. This is a serious violation of the Vehicle and Traffic Law and can result in a substantial fine or jail or both. More importantly, passing a stopped school bus can result in the injury or death of a child.

BUS RULES:

- **BE ON TIME AT YOUR STOP!** During inclement weather, driving conditions warrant extreme safety measures. Therefore, to maintain our time schedule, it is advisable to expect your bus to arrive early, especially if your stop is at the beginning of the trip.
- Parents should bring their children to school if they **MISS** the bus.
- Wait until the bus comes to a full stop before attempting to get on or off. Always pass in front of the bus, never behind, when loading or unloading from the bus.
- Go immediately to a seat (the bus driver may assign seats) and remain seated until the bus comes to a complete stop at its destination.
- Help keep the bus clean. Do not eat food or drink anything on the bus. (On extra trips this will be up to the discretion of the driver)
- Do not destroy property.
- Violence is prohibited!
- Smoking, profanity, shouting, fighting, or displays of public affection are acts which constitute undesirable behavior and will not be tolerated.
- No objects shall be passed through an open window.
- Keep arms, hands, and head inside the bus.
- Be sure to take all belongings with you when you leave the bus.
- Do not distract the driver while the bus is in motion.
- Cell phone use is prohibited by anyone on the buses.
- Be a courteous and responsible passenger at all times.
- Large objects may not be carried on the bus due to D.O.T. regulations.
- Violation of the rules will result in disciplinary action.

Video Camera Monitoring:

The Board of Education recognizes its responsibility to ensure the safety and welfare of staff and students on school premises and transportation vehicles. Video cameras may be used to monitor student behavior on school premises and vehicles transporting students to and from school or extracurricular activities. Students found violating school rules or bus contract rules will be subject to disciplinary action in accordance with established Board policy and

regulations governing student conduct and discipline. Review of videotapes will be conducted by the transportation supervisor and/or the building principal. Viewing will be permitted only at school-related sites. If you have any questions concerning this policy, please contact your child's building principal.

Cattaraugus-Little Valley

CENTRAL SCHOOL DISTRICT

Closed Campus:

Cattaraugus-Little Valley maintains a closed campus. Thus, any student who is off-campus without parental and administrative permission is truant. Students leaving the building for any reason whatsoever during the school day must check out in the main office. Authorization to leave will be granted following appropriate Board policy. The exterior doors are locked during the school day and you will have to use the intercom/buzzer system in order to enter. Press the call button on the gray intercom box, answer the prompts, be "buzzed" in and sign in at the office.

Visiting Our School:

Parents are always welcome to visit our school. For the safety, security, and convenience of all our staff and students, please contact the building administrator and/or teacher in advance to arrange a mutually convenient time to visit. We thank you in advance for your cooperation.

Anyone wishing to volunteer and/or attend field trips must complete a volunteer application and background check. Applications and waivers can be found in the Main Offices or on the school website.

If You Walk To School:

Most Cattaraugus-Little Valley students are bused to and from school each day to increase safety. However, some students walk to school daily. Occasionally, students walk all or part of the way to or from school. Parents are encouraged to review the following safety rules with their children:

- Avoid shortcuts through wooded or isolated areas.
- Walk with others. Never walk alone.
- Let your parents know where you are going and when you expect to return.
- Obey all traffic rules and police officers.
- Be aware of your surroundings.
- Report concerns to a building administrator, parent or law enforcement.

Dropping Off and Picking Up:

Elementary Students should be dropped off and picked up at the District Office/Elementary parking lot off of Carter Street. From 8:00 am – 2:30 pm, students should use the entrance off of North Franklin Street.

Middle/High School Students should be dropped off and picked up at the MS/HS entrance off of Carter Street before and after school. From 8:00 am – 2:30 pm, students should use the entrance off of North Franklin Street.

Student Rights:

Student Rights

The District is committed to safeguarding the rights given to all students under state and federal law. In addition, to promote a safe, healthy, orderly and civil school environment, all district students have the right to:

1. Take part in all district activities on an equal basis regardless of perceived race, color, weight, national origin, ethnic group, sexual orientation, religion, religious practice, gender/ gender identity, sex, disability or any other legally protected class.
2. Present their version of the relevant events to school personnel authorized to impose a disciplinary penalty in connection with the imposition of the penalty.
3. Access school rules and, when necessary, receive an explanation of those rules from school personnel.

Student Responsibilities

Student Responsibilities

All district students have the responsibility to:

1. Contribute to maintaining a safe and orderly school environment that is conducive to learning and to show respect to other persons and to property.
2. Be familiar and abide by all district policies, rules, and regulations dealing with student conduct.
3. Attend school every day unless legally excused. Be in class on time, and prepared to learn.
4. Work to the best of their ability in all academic and extracurricular pursuits and strive toward their highest level of achievement possible.
5. React positively to direction given by teachers, administrators, and other personnel.
6. Work to develop mechanisms to control anger.
7. Ask questions when they do not understand.
8. Seek help in solving problems that might lead to discipline or conflict.
9. Dress appropriately for school and school functions.
10. Accept responsibility for their actions.
11. Conduct themselves as representatives of the district when participating in or attending school-sponsored extracurricular events and to hold themselves to the highest standards of conduct, demeanor and sportsmanship.

Prohibited Student Conduct:

The Board of Education expects all students to conduct themselves in an appropriate and civil manner, with proper regard for the rights and welfare of other students, district personnel and other members of the school community, and for the care of school facilities and equipment.

The best discipline is self-imposed, and the students must learn to assume and accept responsibility for their own behavior, as well as the consequences of their actions. District personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the student's ability to grow in self-discipline.

The Board of Education recognizes the need to make its expectations for student conduct while on school property or engaged in a school function specific and clear. The rules of conduct listed below are intended to do that and focus on safety and respect for the rights and property of others. Students who will not accept responsibility for their own behavior and who violate these school rules will be required to accept the penalties for their conduct.

Students may be subject to disciplinary action, up to and including suspension from school when they:

- A. Engage in conduct that is disorderly.
- B. Engage in conduct that is disruptive.
- C. Engage in conduct that is insubordinate.
- D. Engage in conduct that is violent.
- E. Engage in any conduct that endangers the safety, morals, health or welfare of others. Including:
 1. Are under the influence/possession of alcohol/drugs, unauthorized over-the-counter or prescription medication, controlled substances, drug paraphernalia, e-cigarettes or tobacco products. Engage in the use of roller-blades, roller-skates, or skateboarding in the school building at any time.
 2. Engage in the use of roller-blades, roller-skates, or skateboarding in the school building at any time.
- F. Engage in misconduct while on a school bus or at a bus stop. It is crucial for students to behave appropriately while riding district vehicles or at a bus stop to ensure their safety and that of other passengers and to avoid distracting the driver. Students are required to conduct themselves in the vehicle and/or the bus stop in a manner consistent with established standards for classroom behavior. Excessive noise, pushing, shoving and fighting will not be tolerated.
- G. Engage in any form of academic misconduct.

Cattaraugus-Little Valley

CENTRAL SCHOOL DISTRICT

CLV Phone Policy:

School Phones

1. Telephone messages can be delivered to students through the main office.
2. School office phones may be used with permission.
3. Classroom phones may only be used with teacher permission.

Cell Phones:

Students are allowed to possess a cell phone while on school premises. **However, cell phones should be turned off and their use will not be allowed during school hours (7:55 AM – 2:55 PM) with exception during lunch periods and as authorized by the classroom teacher.**

Inappropriate use of cell phones is defined as the following between 7:55 AM-2:55 PM

- All forms of use in hallways, at lockers, or in any school area including the gymnasium, auditorium and bathrooms. These include but are not limited to:
- Texting
- Taking Pictures
- Gaming
- Talking
- Using Calculator
- Videotaping
- Searching
- Checking Calendar/Time
- Any use of media/tools/apps

The following uses of cell phones will **always** be considered inappropriate. In addition to the sequence of discipline actions outlined below, any student engaging in the following uses of cell phones (or any other electronic devices) will be subject to additional disciplinary action.

Any use of cell phones related to the following:

- Sexting (taking and/or sending/receiving sexually explicit material – picture or text)
- Cyberbullying (use of any technology device to bully students and/or adults)
- Harassment (use of technology to continually communicate unwanted information to individuals – very closely related to cyberbullying)

When a student is found in violation of the cell phone use policy, the following procedures will be enacted:

1st Offense: The cell phone will be collected and held in the main office until dismissal. Students may pick it up at the end of the day after they have had a discussion with the building principal at which time the student will be reminded of the cell phone policy and procedures.

2nd Offense: The cell phone will be collected and held in the main office and a parent/guardian conference with the building principal and student will take place in order to retrieve the cell phone. This may occur face-to-face or via a telephone conference.

3rd Offense: The cell phone will be confiscated and only retrieved by a parent/guardian.

4th Offense: The student has lost cell phone privileges for the year and may not bring a cell phone to school. A possible suspension may occur as a result of the fourth offense.

Should a student insist on bringing a cell phone to school after the fourth offense, further disciplinary action will be taken which may result in a Superintendent's Hearing and additional suspension from school.

Student Health Services:

The District's health program provides students with the knowledge and self-direction that will help them make wise decisions about their health. The responsibility for student personal health and physical well-being rests primarily with the students, their parents, and their family physicians; however, the district welcomes the opportunity to promote student health because it recognizes that good health is essential to good educational process.

An individual health record for each student in the District is on file in the nurse's office of each respective building. It includes the date of immunizations, the annual height/weight check, physical health, special physical examinations for those participating in sports, scoliosis and data on vision and hearing. Health records of all students are kept up-to-date and on file.

In accordance with State regulations, PreK and/or kindergarten, first, third, fifth, seventh, ninth and eleventh grade students are required to bring a report of a health examination by their family physicians or they will be examined by school medical personnel. Students entering the Cattaraugus-Little Valley School District for the first time are also required to have an examination by their family physician or the District will provide this service. A record of a dental visit is recommended for the above mentioned grade levels.

School Physician:

The school physician, is responsible for PreK and/or kindergarten, first, third, fifth, ninth & eleventh grade student physical examinations and for special examinations as well as for interscholastic sports and working papers.

Medication:

All medication that must be taken in school is to be kept in your child's school health office. It must be sent to school in the bottle from the pharmacy, which lists the prescription and instructions. A physician's note AND written parental consent is also required. Further information may be obtained from each school's health office. Any over-the-counter medications must be supplied by the parent/ guardian of the student.

NYSED Sunscreen guidance

Use of Sunscreen-Article 19 Section 907 - Allows students to provide , carry and use topical sunscreen products approved by the FDA with the written permission of the parent or guardian of the student. A record of this permission must be maintained by the school. A student who is unable to physically apply sunscreen may be assisted by unlicensed personnel when directed to do so by the student, if permitted by a parent or guardian and authorized by the school.

Head Lice Policy:

While a nuisance, head lice do not pose a public health risk. Consistent with accepted medical knowledge, no healthy child will be excluded from school due to an active case of head lice or the presence of nits (louse eggs). Children identified by the school nurse as having an active infestation of head lice will be sent home at the end of the day and their parents will be informed by the school nurse of their condition and advised to begin treatment.

In the event regulations or procedures are developed implementing this policy, the Superintendent will work with the District's medical director or one or more school nurses to ensure those regulations or procedures are consistent with accepted medical knowledge and best nursing practice.

First Aid:

In the event of an accident or sudden illness at school, first aid will be administered by school personnel to the best of their abilities and training. Parents will be informed immediately of any serious illness or injuries. It is important that parents provide the school with emergency information and keep it current.

Emergency Information:

At the beginning of each school year, parents are asked to provide emergency information for each child enrolled. Please list the names of persons to be contacted in case of sudden injury or illness. New York State law permits schools to provide only first aid treatment. The Emergency Medical Information and Release form will be in the back-to-school newsletter.

Working Papers:

Young district residents age 12 through 17 who plan to work full or part-time must obtain working papers. Forms are available in the HS/MS Office and must be returned with proof of age and a record of a recent health examination if not on record with the school district.

Student Accident Insurance:

The school district carries secondary insurance for accidental bodily injury sustained by a student while participating in a scheduled and school-sponsored activity. The school's insurance is an EXCESS COVERAGE ONLY policy to supplement existing family medical insurance. Claims must first be made under family or employer's policies. The student policy will provide benefits which are not payable under any other policy to a pre-set limit. Accidents which may occur before, during, or after school hours, unless during a supervised school sponsored activity, are not covered by this insurance, which is then paid as a scheduled benefit. The school nurse will assist parents with completing school insurance forms.

Homebound Instruction:

Homebound instruction is a service provided to students who are unable to attend school due to medical, emotional or disciplinary issues. Secondary students receive instruction for two hours per day and elementary students work while on homebound instruction. The parent must notify the principal or guidance counselor if a student will be on an extended school absence and will require an itinerant teacher. If the inability to attend is due to a medical or emotional reason, the parent should obtain, from the child's physician, a written medical request for homebound instruction.

New Students:

Parents of all new students will be asked to complete a health report form and provide the name and address of the last school attended so that we can send for your child's records. Please provide us with current phone numbers, your current address, your work number, an emergency phone number and name of a person who can be contacted if you are unavailable during school hours. As soon as you have a change in any of this information please call and let the guidance office know so that we can update our records. If you have child custody papers from any recognized court, please provide us with copies. Advise us of who may or may not pick the child up from school. If someone other than the parent or guardian is picking a child up, the office may ask the person for identification. Please make these arrangements ahead of time.

Child Custody:

Unless otherwise notified, joint custody is assumed. If joint custody is not the case, official documentation must be presented to the school office. Cattaraugus-Little Valley Central School abides by provisions of the Buckley Amendment with respect to the rights of non-custodial parents. In the absence of a court order to the contrary, the school will provide the non-custodial parent with access to the academic records and to other school-related information regarding the student. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

Parental Concerns:

Parents should speak with the individual staff member involved. If the concern is not resolved, parents should next contact the staff member's supervisor. Subsequently, the matter may be referred to the principal. Finally, the matter may be appealed to the superintendent and then to the Board of Education.

Parents/Guardians: The Board recognizes the vital role of parents/guardians in the welfare and education of their children and the pivotal part they play in shaping character and values. Parents/guardians are responsible for their child's punctuality, attendance, cleanliness, and propriety of dress. Parents/guardians are requested to keep the school apprised of changes in factors in the home situation, which may affect pupil conduct or performance. The legal custodian of each pupil is responsible for informing the school of any change in the pupil's custody.

Honor Roll:

If a student has a mark below 65% or an unsatisfactory in any course of study, he/she will be denied honor roll status. An incomplete grade when removed will be computed and honor roll status will be determined. A list of students who achieve the Honor and High Honor Rolls will be published in the local newspaper at the end of each 10-week marking period, as well as in the district's newsletter. In June, the published Honor and High Honor Roll will be based upon the student's 4th marking period, not the final average. Parents are asked to examine the report card carefully, and if there are still questions, contact the appropriate school counselor/main office.

- High Honor 95.00 and above
- Honor 90.00 - 94.99
- Merit 85.00 - 89.99

Field Trips:

All field trips within the school day or after the school day will require a signed parent permission slip. **No slip! No trip!**

Homework:

We believe homework is important because it is a valuable aid in helping students make the most of their experience in school. Homework is given because it reinforces what has been taught in class, prepares students for upcoming lessons, and helps students develop self-discipline, responsibility and organizational skills. Homework may be assigned daily. Most homework assignments will involve reading, answering study questions, completing related work sheets and practicing exercises that are class related. Tests will be given periodically with attention given to spacing various subject tests on alternate days, whenever possible. Adequate notice will be given for all tests. We expect students to follow these guidelines when completing homework assignments:

- All assignments will be completed according to teacher instructions.
- Students are responsible for making up homework missed due to absences from class.
- Homework will be turned in on time.
- Students will turn in work that is neatly done.

If students choose not to do their homework, there shall be appropriate consequences. We feel that parents are the key to making homework a positive experience for their children. Therefore, we ask that they make homework a top priority. This includes providing necessary supplies and a quiet homework environment, as well as providing praise and support.

Lockers:

Each student in grades 3-12 is assigned a locker. Lockers, books, and other school material are considered to be the property of the school district. The courts have ruled that since lockers are the property of the school, the administration of the school has the right to search any locker where he/she feels the integrity of the school environment may be violated and/or in an attempt to protect other students. Lockers will be searched with probable cause. Parental or student requests for books and/or materials from lockers do not constitute a search. Lockers are not to be shared or exchanged and should be kept locked at all times. Do not give your combination to other students. The school is not responsible for articles stolen from lockers. Lockers remain the exclusive property of the school and students have no expectations of privacy with respect to lockers.

Promotion & Retention Policy:

In grades 5, 6, 7, and 8 students receiving a final failing mark in either English, social studies, science, or mathematics should expect to attend summer school. Students failing 3 or 4 of these content areas may be retained in the same grade level. Promotion shall be determined, in each instance, by the principal with the advice of the school counselor.

Illegal Absences/Tardies:

A designated staff member shall attempt to notify by telephone the parent/person in parental relation to a student who is absent, tardy or departs early without proper excuse. If the parent/person in parental relation cannot be reached by telephone, absences will be reported to the parent/guardian on the grade reporting system. If deemed necessary by appropriate school officials, or if requested by the parent/person in parental relation, a school conference shall be scheduled between the parent/person in parental relation and appropriate staff members in order to address the student's attendance. The student may also be requested to attend this conference in order to address appropriate intervention strategies that best meet the needs of the student.

Student Attendance Policy:

Statement of Overall Objectives

School attendance is both a right and a responsibility. The School District is an active partner with students and parents in the task of ensuring that all students meet or exceed the New York State Learning Standards. The School District recognizes that consistent school attendance; academic success and school completion have a positive correlation. The School District will develop a Comprehensive Student Attendance Policy to meet the following objectives:

- To improve District-wide attendance rates;
- To raise student achievement and increase student performance;
- To identify attendance patterns in order to design attendance improvement efforts;
- To know the whereabouts of every student for safety and other reasons;
- To create a nurturing and caring school environment, conducive to regular school attendance, where students want to be.

Description of Strategies to Meet Objectives

- a) Foster, improve and encourage parent involvement within the school so that the school and family are partners in the child's education.
- b) Develop a Comprehensive Student Attendance Policy based upon the recommendations of a multifaceted District Policy Development Team that includes representation from the Board of Education, administrators, teachers, students, parents and the community. The District will hold at least one public hearing prior to the adoption of this collaboratively developed Comprehensive Student Attendance Policy.
- c) Maintain accurate record keeping via a Register of Attendance to record attendance, absence, tardiness or early departure of each student.
- d) Create and maintain a positive school culture where the presence of strong role models encourages respectful and nurturing interactions in the school community.
- e) Develop early intervention strategies to improve school attendance for all students. Utilize data analysis systems for tracking individual student attendance and trends in student attendance patterns.

Determination of Excused and Unexcused Absences, Tardiness and Early Departures

Based upon our District's education and community needs, values and priorities, the School District has determined that absences, tardiness and early departures will be considered excused or unexcused according to the following standards:

- a) Excused: pre-approved school sponsored activities, death in the family, religious observance, quarantine, required court appearances, doctor or health clinic visits, pre-approved college visits, approved cooperative work programs, military obligations, in-school suspension, and out-of-school suspension.
- b) Unexcused: all other absences are considered to be unexcused, i.e. vacation, hunting, babysitting.

Student Attendance Record Keeping/Data Collection

The record of each student's presence, absence, tardiness and early departure shall be kept in a register of attendance in a manner consistent with Commissioner's Regulations. An absence, tardiness, or early departure will be entered as "excused" or "unexcused" along with the District code for the reason. Commencing July 1, 2003, attendance shall be taken and recorded in accordance with the following:

- a) For students in non-departmentalized kindergarten through grade four (i.e., self-contained classrooms and supervised group movement to other scheduled school activities such as physical education in the gym, assembly, etc.), such student's presence or absence shall be recorded after the taking of attendance once per school day.
- b) For students in grades five through twelve, each student's presence or absence shall be recorded after the taking of attendance in each period of scheduled instruction.
- c) Any absence for a school day or portion thereof shall be recorded as excused or unexcused in accordance with the standards articulated in this policy.
- d) In the event that a student at any instructional level from Pre-kindergarten through grade twelve arrives late for or departs early from scheduled instruction, such tardiness or early departure shall be recorded as excused or unexcused in accordance with the standards articulated in this policy. A record shall be kept of each scheduled day of instruction during which the school is closed for all or part of the day because of extraordinary circumstances including adverse weather conditions, impairment of heating facilities, insufficiency of water supply, shortage of fuel, destruction of or damage to a school building, or such other cause as may be found satisfactory to the Commissioner of Education. Attendance records shall also indicate the date when a student withdraws from enrollment or is dropped from enrollment in accordance with Education Law Section 3202(1-a).

At the conclusion of each class period or school day, all attendance information shall be compiled and provided to the designated school personnel who are responsible for attendance. The nature of the absence, tardiness or early departure shall be coded on a student's record in accordance with the established District/building procedures.

Student Attendance and Course Credit (Grades 5-12):

It is important to develop good attendance habits while in MS/HS that will carry over to the work force in later years. In order to benefit from the educational program CLV students must report to school and to class on time. Students who miss more than 22 days in a full-year course (or 12 days in a half-year course) are subject to denial of credit. Students may then be allowed to audit the course for no credit. Unexcused absences will be counted against this 22-day maximum. Notification will be given to parents/guardians through report cards, special reports, and/or parent conferences for any action taken which would result in loss of course credit.

If there are any questions regarding attendance or tardiness on the quarterly report card, please contact the Main Office.

1. Excused Absences: Excused reasons for absence from school are: illness, sickness or death in the immediate family, locally impassable roads, religious holidays, approved educational trips, and appearance in court. All other absences are unexcused.

2. Unexcused absence/unofficial holiday: Absence from school for personal reasons is unexcused even with parent permission and is so recorded on the student's permanent record. Students who have unexcused absences may lose credit for all work missed. Parents are encouraged to call the attendance office regarding an absence. If an extended absence is planned, parents are encouraged to inform the main office and all of the student's teachers. Before the planned absence, students should obtain work from all teachers whenever possible.

- At 12 (4 for ½ year courses) unexcused absences the teacher will notify the student and parent in writing and phone with a copy to attendance committee.
- At 18 (8 for ½ year course) unexcused absences the teacher will notify the attendance committee and a student-parent-committee conference will be held.
- At 22 (12 for ½ year courses) unexcused absences the teacher will notify the Building Principal and the Principal will review with the Attendance Committee and may elect to assign make up time or deny course credit. Unexcused absences will be pro-rated when a student enters school during the school year.
- The parent/student may appeal to the Superintendent of Schools within 5 school days in writing if they do not agree with the action taken in C above.
- The parent/student may appeal to the Board of Education in writing through the Superintendent within 5 school days of action taken in D above.

Students arriving to school after 7:55 a.m. must report directly to the main office. Only students detained by the office will receive a late admission from the office.

3. Readmission to school: Each student returning to school following an absence must give a written note stating the student's name, date of absence, and reason for absence, signed by the student's parent/guardian. If absences are unexcused, teachers do not have to accept late work and the student may forfeit the chance to make up work.

4. Tardies to School – High School: Tardies to school 1st period are reviewed after each 5 week marking period. The total number of tardies divided by 4 equals how many nights of detention you receive. The high school principal

reserves the right to add/delete to this procedure.

Once a student reaches 20 tardies, he/she may be required to serve detention for each subsequent tardy as well as forfeit his/her parking pass should he/she have one. This will continue until improvement in getting to school on time, which will be decided by an administrator.

4a. Tardies to School – Middle School: Please refer to the middle school discipline matrix that is handed out at the beginning of the school year.

5. Tardies to Classrooms

- At 4 tardies the student will be assigned detention.
- At 8 tardies, the student will be assigned detention or in-school suspension and a parent conference.
- At 12 tardies, the student will be assigned detention, in-school suspension, or out of school suspension, as well as a parent conference.
- STUDENTS that have a school parking permit may lose privileges to park on school grounds due to tardies to school at the administrator's discretion.

Note: For extra curricular activities including athletic participation – students must be in attendance for the full day or they cannot participate – exception: they must have a doctor's note or approval from the principal or athletic director.

Attendance Committee:

A sequential review process will occur, involving the student, parent(s), building principal, and faculty attendance committee members prior to any attendance committee action. Students must understand the importance of good attendance and punctuality. **Students may be assigned extended study periods between 2:55 – 5:15 p.m.** if the faculty attendance committee determines that the student is not making an appropriate effort to attend all classes regularly, or if the student is not taking full academic responsibility for missed days.

Additional time may also be assigned during January and June Regents weeks.

Disciplinary Consequences:

Unexcused absences, tardiness and early departures will result in disciplinary sanctions as described in the District's Code of Conduct. Consequences may include, but are not limited to: in-school suspension, detention and denial of participation in interscholastic and extracurricular activities. Parents/persons in parental relation will be notified by designated District personnel at periodic intervals to discuss their child's absences, tardiness or early departures and the importance of class attendance and appropriate interventions. Individual buildings/grade levels will address procedures to implement the notification process to the parent/person in parental relation.

Intervention Strategy Process:

In order to effectively intervene when an identified pattern of unexcused absences, tardiness or early departures occur, designated District personnel will pursue the following:

- Identify specific element(s) of the pattern (e.g., grade level, building, time frame, type of unexcused absences, tardiness or early departures);
- Contact the District staff most closely associated with the element. In specific cases where the pattern involves an individual student, the student and parent/person in parental relation will be contacted;
- Discuss strategies to directly intervene with specific element;
- Recommend intervention to Superintendent or his/her designee if it relates to change in District policy or procedure;
- Implement changes, as approved by appropriate administration;
- Utilize appropriate District and/or community resources to address and help with the remediation of student unexcused absences, tardiness or early departures;
- Monitor and report short and long term effects of intervention.

Appeal Process:

A parent/person in parental relation may request a building level review of their child's attendance record. The Appeal Process may also include the Superintendent, Board of Education and the Commissioner of Education.

Building Review of Attendance Records:

The building principal will work in conjunction with the building attendance clerk and other designated staff in reviewing attendance records at the end of each term. This review is conducted to identify individual and group attendance patterns and to initiate appropriate action to address the problem of unexcused absences, tardiness and early departures.

Annual Review by the BOE:

The Board of Education shall annually review the building level student attendance records and if such records show a decline in student attendance, the Board shall make any revisions to the Policy and plan deemed necessary to improve student attendance.

Community Awareness

The Board of Education shall promote necessary community awareness of the District's Comprehensive Student Attendance Policy by:

- Providing a plain language summary of the policy to parents or persons in parental relation to students at the beginning of the each school year and promoting the understanding of such a policy to students and their parents/persons in parental relation;
- Providing each teacher, at the beginning of the school year or upon employment, with a copy of the policy; and
- Providing copies of the policy to any other member of the community upon request. Education Law Sections 3024, 3025, 3202, 3205, 3206, 3210, 3211, and 3213. 8 New York Codes of Rules and Regulations (NYCRR) Sections 104.1, 109.2 and 175.6

Notice to Parents from the Health Offices:

Dear Parents,

It is most important that we all take precautionary measures to ensure the safety of our children.

Parents calling for their children must report to the office for permission when it is necessary to take a child from school. We will not release a child without a proper request or excuse. All children will be released from the office, not in front of the school, in the halls, or from their classrooms.

Students may remain after school only if they have permission from their parents. Parents who give their consent must also agree to provide transportation to these children.

Employed parents of elementary students should make arrangements for baby-sitting service in case of an emergency school closing. One of our primary concerns when it becomes necessary to dismiss students early because of snow or other emergencies is that some students may have no one waiting upon their arrival at home.

Outlined below are some helpful reminders that will ensure the effectiveness of the services offered your child through the Health Office.

Purpose of the Health Office:

- Administer emergency first aid
- Evaluate student's illness and render appropriate care
- Maintain medication therapy
- Regulate contagious diseases as much as possible
- Prepare and maintain accurate health history for each student
- The Health Office is not to be used as a baby-sitting Service.

Illness:

- Do not send your child to school sick! You will be notified at home or at work to come for your child.
- We must have current home, work, and emergency numbers in the event your child should become ill or require medical attention during school hours.

Please update your information yearly, or as soon as this information changes.

Absent Notice:

- Please phone the Nurse's Office between 8:00 and 8:15 Elementary 716-257-3436 ext 5858 and MS/HS 716-257-3483 ext 5022. This will assist in keeping record of current illness within our school district and help rule out the possibility of truancy.
- New York State mandates a written excuse per each day absent even if the parent verbally notifies school. Absence without a written excuse is recorded as an illegal absence.
- Written excuses are required to excuse any student from Physical Education class. One excuse from the parent will be accepted excusing the child from P.E., thereafter a medical excuse signed by a physician is required.
- Any 5-12 student entering class after 7:55 a.m. is considered tardy and requires a written excuse.
- Any PK-4 student entering after 8:00 a.m. is considered tardy and requires a written excuse.
- All written excuses must be turned into the main office within 3 days after the student returns to school.
- Your child must sign in and/or out in the main office of his/her respective building upon leaving for or arriving from any appointment scheduled during school hours.

Dietary Restrictions:

New York State Law requires a written doctor's excuse regarding dietary restrictions such as allergies to milk, chocolate, etc. This has to be renewed yearly.

"Megan's Law"

In compliance with Megan's law, (Sex Offender Registration Act: Correction Law Article 6-C) the Cattaraugus-Little Valley School District recognizes the significance of informing residents of level 3 sex offenders within the community. Individuals with a level 3 status pose a potential threat to public safety. That being the case, the CLVSD has opted to inform the public of these possible level 3 offenders in the following manner:

Community members are advised to frequently check the following website: <http://criminaljustice.ny.gov>

Once there, click on "Search the Online Directory", and then follow the provided prompts. The website provides detailed information pertaining to level 2 and 3 sex offenders within the area.

You may also contact the Sex Offender Registry at 1-800-262-3257 Monday through Friday from 8 a.m. to 4 p.m. A detailed copy of CLVSD Notification of Sex Offender Policy can be obtained in the District Office.

Dress Code Policy:

The Board of Education has established a student Dress Code Policy that promotes a positive atmosphere for learning to take place. Student will dress in a fashion that adheres to the following guidelines established by the Dress Code Committee. These guidelines are developed in accordance to NYSED regulations. Student dress will reflect safety, health and decency issues with respect to community values. All students are expected to give proper attention to personal cleanliness and to dress appropriately for school. Students and their parents have the primary responsibility for acceptable student dress and appearance. Teachers and other district personnel should reinforce acceptable student dress and help students develop an understanding of appropriate appearance in the school setting.

A student's dress, grooming and appearance shall:

Be safe, appropriate, and not disrupt or interfere with the educational process. The following are the general guidelines for student attire. Please keep in mind that additional requirements may be necessary for special classes such as PE, Science, Technology and Vocational at BOCES.

1. Extremely brief garments such as tube tops, net tops, halter tops, plunging necklines (front and back), spaghetti straps, muscle shirts for both males and females, and see through garments are not appropriate as school attire.
2. Skirts and skorts, **must measure 5 inches or less** from the top of the kneecap when in a standing position.
3. Shorts must have a **3 inch inseam or longer**.
4. Other than for Physical Education class or athletic events, shorts should adhere to the above.
5. All shirts must meet the waistband of the student's pants when his/her arms are at rest at his/her side. **It is a student's responsibility to ensure that no midriff is showing at all times.**
6. **Shirts should not have a neckline that falls more than 4 inches from the clavicle, or base of the neck. Cleavage should not be visible.**
7. **Pants must be above the hip and cover all underwear.**
8. Proper footwear is to be worn at all times. Footwear that poses a safety hazard is not allowed. **Socks worn without shoes, bare feet, and/or slippers are unacceptable.**
9. Students are not allowed to wear headgear (hats, bandanas, skullcaps) in school except for medical reasons as documented by the student's physician. Hats must remain in the locker until the end of the school day.
10. Students may not wear clothing that violates the District drug/alcohol/tobacco policy or contains vulgar, obscene or offensive language/acronyms. Pictures or language that are offensive with respect to religion, creed, national origin, gender, sexual orientation, disability, smoking, drugs, alcohol, or sexual and/or violent images/connotations are strictly prohibited. Hoods and/or hoodies should be off and down until the end of the school day.
11. Items that may be used as a weapon, such as chains, spiked bracelets and/or necklaces, and wallet chains, are prohibited.

Infraction Procedure: Students that may be in violation of dress code will be referred to an administrator. Should the student be deemed in violation of the dress code policy, the appropriate consequence will be administered, and the student will be sent back to class provided that the infraction is covered up or removed. Should the student not have a suitable change of clothes, the student will be given a choice of calling home for a change of clothes. If the parent/guardian is not able to furnish a change of clothing in a reasonable amount of time, the student will be offered a District issued T-shirt and/or wind pant. Should the student not comply with the above, the student and parent will be notified and the student may be sent home or placed on in-school suspension until the matter is resolved. **The student will not be allowed to attend class inappropriately dressed.**

Fines will be levied at the end of the school year if books, equipment, etc. have been damaged through misuse or carelessness. All schoolbooks, materials, equipment, etc. must be returned as required, or payment made for replacements of damaged items. All accounts must be cleared before a transcript, yearbook, report card, or diploma is issued.

Parent-Teacher Association:

We are fortunate to have an active non-profit volunteer organization made up of parents. Its purpose is to enhance and enrich the educational opportunities for students. The association sponsors various fundraisers throughout the year. With the proceeds from these fundraisers, the Association sponsors programs at the school and field trips. For more information, please contact Renee Funke at 716-870-8196.

Emergency School Closing:

The Superintendent of Schools may close the campuses or dismiss students/staff early when hazardous weather or other emergencies threaten health or safety. Parents are requested to avoid calling schools on days of poor weather; it is important to keep school phone lines open. School closing and delayed starting times will be announced as early as possible over the following radio station: **WBEN 930 AM. It will also be on Channels 2, 4, 7, and Spectrum News. Parents will also receive a Parent Square call from the district.** (Please make sure the district has current phone number.) If no report is heard, it can be assumed the schools are opening on time.

Fire Drills, Lock Down Drills and Emergency Drills:

An early dismissal drill is scheduled annually. This drill is to test the emergency plan for early dismissal for all PK-12 students. This is part of a state law that went into effect in May 2016. In addition to these drills, our Emergency Planning Committee reviews annually our Emergency Management Plan, which includes action plans for school cancellation, evacuation, and early dismissal procedures.

Fire Alarms/Drills:

The sounding of an intermittent alarm is the signal for fire alarms. Students are directed to proceed in an orderly fashion to the exit indicated, to act calmly and quickly, and thereby to proceed to the area indicated on the instructions posted in each room.

Sounding of a false alarm is a serious criminal act. Any student who triggers an alarm purposefully or by accident when there is no emergency will be suspended from school immediately. Any further disciplinary response will be by judgment of the principal or according to police.

School Counselors:

The Student Services Departments of the Cattaraugus-Little Valley Central School District are committed to helping students make acceptable life adjustments, characteristic of their age group. It is recognized that all children possess the potential of becoming productive members of society and, therefore, school counselors are concerned with the maximum social, mental, emotional, and physical development of each child. Through the various guidance services, each student's program is developed toward appropriate educational and vocational plans based on individual abilities, achievement, interest and objectives.

Parents are encouraged to make an appointment with the appropriate school counselor if seeking assistance or individual conferences.

Special Education Guide:

Special Education provides specially designed services and programs to children with educational disabilities. It is intended to meet the individual needs of the student and enhance his/her strengths. Special Education programs and services are designed to assure that children receive appropriate and equal opportunities for educational growth up to age 21, if necessary.

- How do Special Education and Regular Education Interact?

All programs and services in public schools must be available to students with disabilities. It is the goal of special education programs to include students in as many regular education programs as appropriate, dependent on the nature and degree of the disability.

- What is the Special Education Process?

The need for Special Education services is determined in the following manner:

- Parental consent is obtained at all stages so that parents are fully informed and involved in the referral process.
- Students thought to be educationally at risk are first reviewed by building child study teams to determine what regular education programs and services might be employed to improve a student's performance. If more intervention is believed to be necessary, students are then referred to a team called the Committee on Special Education (CSE).
- The CSE arranges for appropriate professional evaluation of a student using a variety of measures to determine strengths and weaknesses.
- The CSE reviews the evaluation report to determine whether the student qualifies for the provision of special education services.

- If the student qualifies, the CSE recommends an appropriate Individualized Education Program (IEP) based upon evaluation results.
- The program is implemented upon Board of Education approval.
- The IEP is modified or adjusted by the CSE when necessary or at the Annual Review.
- Parents have the right to challenge school decisions through Mediation, Impartial Hearings, and Appeal Processes.

For more information, please contact the Director of Special Education at 257-3483.

Cattaraugus Little Valley Central School District's Parents' Bill of Rights for Data Privacy and Security

The Cattaraugus Little Valley Central School District, in compliance with Education Law 2-d and Board Policy 6410 regarding privacy, hereby establishes the following Parent's Bill of Rights with regard to student data:

(1) A student's personally identifiable information will not be sold or released for any commercial purposes. (2) Parents have the right to inspect and review the complete contents of their child's educational record. (3) Teachers will not use a student's identifiable information to sign them up for a website that does not follow Education Law 2-d.(4) Security protocols regarding confidentiality of personally identifiable information are currently in place, and these safeguards adhere to industry standards and best practices. These safeguards include, but are not limited to, data encryption, firewalls, and password protection. (5) New York State maintains a complete list of all student data collected by the state and that list is available for public review at www.nysed.gov or by writing to the Office of Information and Reporting Services, New York State Education Department, Room 863 EBA, 89 Washington Avenue, Albany, New York 12234. (6) Parents have the right to file complaints about possible breaches of student data. Such complaints should be addressed in writing to the Chief Privacy Office, New York State Education Department, Room 863 EBA, 89 Washington Avenue, Albany, New York 12234.

FERPA (Family educational rights and provacy act) Law:

The Cattaraugus-Little Valley Central School District is required by law to provide an annual reminder of the rights of parents and eligible students (students 18 years of age and older) concerning school records. Under the FERPA Law, also known as the Buckley Amendment, parents and eligible students are guaranteed access to a students school records. Copies are available to parents or eligible students upon

request at a fixed cost. Parents have the right to challenge the content of a school record. This right includes the right to a hearing to present evidence that the school record should be changed. The school is required to maintain the confidentiality of all pupil records. Details of the FERPA Law are available in the District Office.

Asbestos Management:

Availability of the Asbestos Management Plan: Part 763.93 (G) (4) of the Environmental Protection Agency (EPA) regulations implementing the Asbestos Hazard Emergency Response Act of 1987, (AHERA) requires annual notification of parent and employee organizations of the availability of the district’s asbestos

management plan. The management plan identifies the location of asbestos containing building materials, its condition and friability and the response action to be taken. The management plan is on file in the Business Administrator’s office. It will be made available for inspection within five (5) working days of receipt of a written request.

Asbestos Surveillance Completed:

The Federal Asbestos Hazard Emergency Response Act requires every school district to conduct a surveillance of any asbestos-containing building material in its facilities and to note its condition. This surveillance must be conducted every six months. Upon completion of the surveillance activity, school

districts are required to notify all persons who use the district’s facilities. This is the required notice. Mrs. Sally Hadley, Business Executive, reports that the school district continues to provide a safe hazard-free environment. Any questions or concerns should be addressed to Mrs. Hadley at 716-257-5296.

Pesticide Notice:

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and non-public elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year. The Cattaraugus-Little Valley Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications.

The following pesticide applications are not subject to prior notification requirements:

- | | |
|--|---|
| • A school remains unoccupied for a continuous 72-hours following an application Anti-microbial products | • Boric acid and disodium octaborate tetrahydrate |
| • Nonvolatile rodenticides in tamper-resistant bait stations in areas inaccessible to children | • The application of EPA designated biopesticides |
| • Nonvolatile insecticidal baits in tamper-resistant bait stations in areas inaccessible to children | • The application of EPA designated exempt materials under 40CFR152.25 |
| • Silica gels and other nonvolatile ready-to-use pastes, foams or gels in areas inaccessible to children | • The use of aerosol products with a directed spray in containers of 18 fluid ounces or less when used to protect individuals from an imminent threat from stinging and biting insects including venomous spiders, bees, wasps, and hornets |

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list. If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur in our school, please contact: Mr. Wayne McGuire, School District Pesticide Representative, 257-3483, x5283

AIDS:

In accordance with NYS Guidelines, the Cattaraugus-Little Valley Central School District has developed a Policy and Regulations concerning Acquired Immune Deficiency Syndrome. Please refer any questions or concerns to the Superintendent's Office.

Public Notice:

The Cattaraugus-Little Valley Central School District hereby advises students, parents, employees and the general public that it offers employment and educational opportunities, including vocational education opportunities without regard to sex, race, color, national origin or handicap. Grievance procedures are available to interested persons by contacting the person listed below.

Inquiries regarding this nondiscrimination policy may be directed to: Title IX Coordinators (sex discrimination) Tina Maines or —.

The secondary vocational education opportunities available to district residents under age 21 are available upon request to the High School and Middle School Student Services Department. The Cattaraugus-Little Valley Central School District does not discriminate on the basis of race, color, or national origin in the employment and educational opportunities it offers, including vocational educational opportunities.

Title IX of the Education Amendments of 1972:

As required by Title IX of the Education Amendments of 1972, the Cattaraugus-Little Valley Central School District does not discriminate on the basis of sex in the educational programs or activities, which it provides, including vocational programs. The district does not discriminate in employment of persons on the basis of sex, including recruitment, appointment, salary and benefits.

The District Officials responsible for the coordination of activities relating to nondiscrimination on the basis of sex can provide information on Title IX, including information about complaint procedures, to any student or employee who feels that his or her rights under Title IX have been violated by the District or its officials. In addition, any student or employee may make an inquiry or complaint directly to the federal office for Civil Rights.

Section 504 of the Rehabilitation Act of 1973: The Cattaraugus-Little Valley Central School District does not discriminate on the basis of handicapping conditions in admission or access to its programs and activities, including vocational education. No person shall be denied employment solely because of any physical, mental or medical impairment, which is related to the person's ability to engage in the activities involved in the job for which the application has been made. Inquiries concerning this policy and information about complaint procedures may be referred to Tina Maines, 716-257-5515 or —, 716-257-3483, ext. 5943.

Computer Policy Code of Ethics:

Computer use policies safeguard the rights and privileges of all users. With this technological opportunity comes responsibility. Be aware that the code of ethics listed below applies to all computer users in the Cattaraugus-Little Valley Central School District, who must understand and agree to the following. It is the user's responsibility to avoid abusive conduct which would include but not be limited to, the altering of system software, placing of unlawful information, computer viruses, or harmful programs on or through the system, in either public or private files or messages. Users must be accountable for the use of their password. Passwords must not be revealed to anyone. Any problems which arise from the releasing of personal passwords are the responsibility of the user. The school's computer system may not be used to obtain, view, download, or otherwise gain access to materials which are unlawful, objectionable, or otherwise unacceptable in an educational setting. Only software owned by the Cattaraugus-Little Valley Central School District will be used on the workstations and System (WAN). Users will use all computer equipment for the purpose for which it is intended. Users will not tamper with the terminals, and associated equipment, or otherwise disable the system. Users will not change, copy, rename, delete, read, or otherwise access files or software that they did not create. Computers may not be used for personal non-school related gain. Any discovered instances in inappropriate usage, or failure to comply with current policies, may result in immediate suspension of computing privileges for the offender. Parent notification of such suspensions will also be provided. The District recognizes that effective use of technology is important to our students and will be essential to them as adults. The District will provide access to various computerized information resources consisting of software, hardware, computer networks and electronic communications systems. This may include access to electronic mail.

Non-discrimination and Anti-harassment in the School District

The Board of Education affirms its commitment to non-discrimination and recognizes its responsibility to provide an environment that is free of harassment and intimidation as required by Federal and state law. Harassment is a violation of law and stands in direct opposition to District policy. Therefore, the Board prohibits and condemns all forms of discrimination and harassment on the basis of race, color, religion, disability, national origin, sexual orientation, gender identity or expression, military status, sex, age and marital status, by employees, school volunteers, students, and non-employees such as contractors and vendors as well as any third parties who are participating in, observing, or otherwise engaging in activities subject to the supervision and control of the District.

Sexual orientation is defined as heterosexuality, homosexuality, bisexuality, or asexuality, whether actual or perceived.

The Board also prohibits harassment based on an individual's opposition to discrimination or participation in a related investigation or complaint proceeding pursuant to the anti-discrimination statutes. This policy of non-discrimination and anti-harassment will be enforced on School District premises and in school buildings; and at all school-sponsored events, programs and activities, including those that take place at locations off school premises or in another state.

It is intended that this policy apply to the dealings between or among employees with employees; employees with students; students with students; employees/students with vendors/contractors and others who do business with the School District, as well as school volunteers, visitors, guests and other third parties. All of these persons are hereinafter referred to collectively as "the named group."

For purposes of this policy, harassment shall mean communication (verbal, written or graphic) and/or physical conduct based on an individual's actual or perceived race, color, religion, disability, national origin, sexual orientation, gender identity or expression, military status, sex, age and marital status that:

- Has the purpose or effect of substantially or unreasonably interfering with an individual's work performance or is used as a basis for employment decisions (including terms and conditions of employment) affecting such individual; and/or creates an intimidating, hostile or offensive work environment;
- Has the purpose or effect of substantially or unreasonably interfering with a student's academic performance or participation in an educational or extracurricular activity, or creates an intimidating, hostile or offensive learning environment; and/or effectively bars the student's access to an educational opportunity or benefit;
- Otherwise adversely affects the employment and/or educational opportunities and benefits provided by the District.

Complaints and Grievances by Employees

In accordance with the provisions of General Municipal Law and the collective bargaining agreements, all District personnel shall have the opportunity to present their complaints or grievances free from interference, coercion, restraint, discrimination or reprisal. The District shall provide at least two (2) procedural stages and an appellate stage for the settlement of any grievance.

Complaints or grievances not covered under employee contracts shall be handled and resolved, whenever possible, as close to their origin as possible. The Superintendent is responsible for implementing regulations for the redress of complaints or grievances through proper administrative channels.

Complaints and Grievances by Students

While students have the responsibility to abide by the policies and regulations of the District, they shall also be afforded opportunity to present complaints and grievances free from interference, coercion, restraint, discrimination or reprisal.

Administration shall be responsible for establishing rules and regulations for the redress of complaints or grievances through proper administration channels. In addition, the administration shall be responsible for developing an appeals process, ensuring that students have full understanding and access to these regulations and procedure, and providing prompt consideration and determination of student complaints and grievances.

Investigation of Complaints and Grievances

The School District will act to promptly investigate all complaints, either verbal or written, formal or informal, of allegations of harassment based on any of the characteristics described above; and will promptly take appropriate action to protect individuals from further harassment. The District will designate, at a minimum, two (2) Compliance Officers, one of each gender.

In order for the Board to enforce this policy, and to take corrective measures as may be necessary, it is essential that any employee, student, or other member of the above named group who believes he/she has been a victim of harassment in the school environment and/or at programs, activities and events under the control and supervision of the District, as well as any individual who is aware of and/or who has knowledge of, or witnesses any possible occurrence of harassment, immediately report such alleged harassment; such report shall be directed to or forwarded to the District's designated Compliance Officer(s) through informal and/or formal complaint procedures as developed by the District. Such complaints are recommended to be in writing, although verbal complaints of alleged harassment will also be promptly investigated in accordance with the terms of this policy. In the event that the Compliance Officer is the alleged offender, the report will be directed to the next level of supervisory authority.

Upon receipt of an informal/formal complaint (even an anonymous complaint), the District will conduct a prompt, equitable and thorough investigation of the charges. However, even in the absence of an informal/formal complaint, if the District has knowledge of any occurrence of harassment, the District will investigate such conduct promptly and thoroughly. To the extent possible, within legal constraints, all complaints will be treated as confidentially and privately as possible. However, disclosure may be necessary to complete a thorough investigation of the charges and/or to notify law enforcement officials as warranted, and any disclosure will be

provided on a "need to know" basis. The Superintendent will inform the Board of Education of investigations involving findings of discrimination or harassment.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

The Board prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participated in the investigation of a complaint of harassment. Follow-up inquiries shall be made to ensure that harassment has not resumed and that all those involved in the investigation of the harassment complaint have not suffered retaliation.

Alcohol, Tobacco, Drugs, and Other Substances

The Board of Education recognizes that the misuse of alcohol, drugs, tobacco, and other illegal substances is a serious problem with legal, physical, emotional and social implications for our students, as well as the entire community. Therefore, the consumption, sharing and/or selling, use and/or possession of alcoholic beverages, tobacco products, illegal drugs, counterfeit and designer drugs, or paraphernalia for the use of such drugs is prohibited at any school-sponsored function, on school grounds and on school buses at all times. The inappropriate use of prescription and over-the-counter drugs shall also be disallowed.

Should a student be found in possession of any of these substances, they shall be dealt with in accordance with the *Code of Conduct*.

"School bus" means every motor vehicle owned by the District and operated for the transportation of pupils, teachers and other persons acting in a supervisory capacity, to or from school or school activities or privately owned and operated for compensation for the transportation of pupils, children of pupils, teachers and other persons acting in a supervisory capacity to or from school or school activities.

Smoking

Smoking shall not be permitted and no person shall smoke within one hundred (100) feet of the entrance, exits or outdoor areas of any

public or private elementary or secondary schools. However, this shall not apply to smoking in a residence, or within the real property boundary lines of such residential real property.

Persons Entering School Grounds

Persons shall be banned from entering school grounds or school-sponsored events when exhibiting behavioral, personal or physical characteristics indicative of having used or consumed alcohol or other substances. A school-sponsored function shall mean a school-sponsored or school-authorized extracurricular event or activity regardless of where such event or activity takes place, including any event or activity that may take place in another state or country.

VIOLATIONS: Discipline may include one or more of the following actions: Detention, In-school Suspension, Out of School Suspension, and possibly a Superintendent Hearing. Parents will be notified and the appropriate disciplinary action as outlined in the handbook specific to that building will be followed.

Extra-Curricular Events:

1. If a student is suspected in any form or matter of having consumed alcoholic beverages or having used drugs, he/she will not be

allowed to board the bus either at origin or destination.

2. At point of origin the incident will be reported to the principal or other school official.
3. At the point of destination the following will be in effect: An attempt will be made to contact the parents/guardian to make arrangements for transportation home or whatever arrangements are acceptable to both the parent and person in charge. If unable to contact the parent/guardian, the student should be referred to the local law enforcement agency. The local Police Department or Sheriff's Department should be notified, and arrangements will be made to contact parent(s)/guardian for leaving the student at the local law enforcement agency. Under no condition is a student to be left without legal arrangements or supervision.
4. If an administrator is present at the event, violations noted above should be reported to him/her immediately.

Notification of Rights Under the Protection of Pupil Rights Amendment

Dear Parent/ Guardian:

Our School District has always recognized the importance of the protection of student privacy and the rights of parents/guardians to have notice of activities which may affect student privacy.

PPRA affords parents and students who are 18 or emancipated minors ("eligible students") certain rights regarding the conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include, but are not limited to, the right to:

Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED) –

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;

5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or student's parent; or
8. Income, other than as required by law to determine program eligibility.

Receive notice and an opportunity to opt a student out of–

1. Any other protected information survey, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
3. Activities involving collection, disclosure, or use of personal information collected from students for marketing or to sell or otherwise distribute the information to others.

Inspect, upon request and before administration or use –

1. Protected information surveys of students and surveys created by a third party;
2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

Cattaraugus-Little Valley Central School District has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. Cattaraugus-Little Valley will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. CLV will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Cattaraugus-Little Valley CSD will make

this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this direct notification requirement:

- Collection, disclosure, or use of personal information collected from students for marketing, sales, or other distribution.
- Administration of any protected information survey not funded in whole or in part by ED.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with:

Sexual Harassment

The Board of Education affirms its commitment to non-discrimination and recognizes its responsibility to provide for all District students an environment that is free of sexual harassment and intimidation. Sexual harassment is a violation of law and stands in direct opposition to District policy. Therefore, the Board prohibits and condemns all forms of sexual harassment by employees, school volunteers, students, and non-employees such as contractors and vendors which occur on school grounds, on a school bus and at all school-sponsored events, programs and activities including those that take place at locations off school premises or in another state or country. Since sexual violence is a form of sexual harassment, the term, "sexual harassment" in this policy will implicitly include sexual violence even if it is not explicitly stated.

Sexual Harassment

Generally, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct or communication of a sexual nature when:

- a) Submission to or rejection of such sexually harassing conduct and/or communication by a student affects decisions regarding any aspect of the student's education, including participation in school-sponsored activities;
- b) Conditions exist within the school environment that allow or foster obscene pictures, lewd jokes, sexual advances, requests for sexual favors or other harassing activities of a sexual nature; and
- c) Such conduct and/or communication has the purpose or effect of substantially or unreasonably interfering with a student's academic performance or participation in an educational or extracurricular activity, or creating an intimidating, hostile or offensive learning environment; and/or effectively bars the student's access to an educational opportunity or benefit.

Sexual Violence

Sexual violence is defined by New York Penal Law as physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent. Sexual violence includes but is not limited to acts such as:

- a) Rape; b) Sexual assault; c) Sexual battery; d) Sexual coercion.

In order for the Board to enforce this policy, and to take corrective measures as may be necessary, it is essential that any student who believes he/she has been a victim of sexual harassment in the school environment, as well as any other person who is aware of and/or who has knowledge of or witnesses any possible occurrence of sexual harassment, should immediately report such alleged harassment. Such report shall be directed to or forwarded to the District's designated Compliance Officers through informal and/or formal complaint procedures as developed by the District. Such complaints are recommended to be in writing, although verbal

complaints of alleged sexual harassment will also be promptly investigated in accordance with the terms of this policy. In the event that the Compliance Officer is the alleged offender, the report will be directed to the next level of supervisory authority.

Upon receipt of an informal/formal complaint (even an anonymous complaint), the District will conduct a prompt, equitable, and thorough investigation of the charges. However, even in the absence of a complaint, if the District has knowledge of or has reason to know of or suspect any occurrence of sexual harassment, the District will investigate such conduct promptly, equitably and thoroughly. To the extent possible, within legal constraints, all complaints will be treated as confidentially and privately as possible. However, disclosure may be necessary to complete a thorough investigation of the charges, and any disclosure will be provided on a "need to know" basis. The Superintendent will inform the Board of Education of investigations involving findings of harassment.
